

**NOTICE OF PRE-APPLICATION PUBLIC MEETING
POST CLOSURE PERMIT RENEWAL – FORMER ASHLAND DISTRIBUTION
COMPANY**

A Public Meeting will be held at 6:00 p.m. Thursday, October 26, 2017 at the Creative Life Preparatory School, 1222 Riverside Boulevard, Memphis, TN 38106. The meeting will address the renewal of the Post Closure Permit for the former Ashland Distribution Company (Ashland) facility, located in Memphis, TN. The purpose of the meeting is to inform the community of Ashland's renewal request for continued management remedial obligations associated with the former distribution facility that was sold to Nexeo Solutions LLC in 2011, and continued postclosure corrective action. The public is invited to submit written or oral comments/questions at the meeting. A sixty (60) day comment period is also being announced during which the public may submit their comments regarding this action. A summary of the meeting, comments received at the meeting, questions, and attendance sheet will be provided to the Tennessee Department of Environment and Conservation, Division of Solid Waste Management (TDEC/DSWM).

On January 31, 2017, Ashland was notified by TDEC/DSWM that an application for a Hazardous Waste Post-Closure Care permit renewal for the former Ashland Distribution Facility located at 2351 Channel Avenue, Shelby County, Memphis, Tennessee was required to be submitted no later than September 6, 2017. The facility is no longer active and all former waste handling areas have been formally closed. The EPA identification number for the facility is TND048319644.

The current Post-Closure Care Permit (Permit No. TNHW-135) was issued to Ashland by TDEC/DSWM on March 6, 2008. Renewal of the permit is necessary to continue post closure care at the Memphis facility.

Should you have any questions regarding the above listed facility, please feel free to contact:

Mr. Andrew Davis, P.E.
